

Parent/Child Level 1

The goal of the Parent/Child Level 1 class is to provide the parent with bonding time with their child in a fun, enjoyable atmosphere. Skills covered in this course include exploring buoyancy on the front and back, and introduction to submerging the mouth, nose, and eyes. Participants will spend the first 15 minutes of each class in the little pool and then move to the big pool for the remainder of the class. This class will meet Monday -Thursday with Friday as a make up should the park district cancel class due to weather. PPD

Pre School Level 1

Participants will spend 15 minutes in the little pool playing games that focus on water readiness skills. The second half of the class will be spent in the big pool working on floats, glides, breath control, submerging, and swimming on front and back for two body lengths. All skills are to be completed with support. Basic water safety skills are also explored at this level. PPD
