I give permission for photographs and videotapes of my child/ward or me to be used for camp craft projects, as well as to promote the Park District through press releases, brochures, the website, and other promotional materials. Park District Code of Conduct

To ensure enjoyable and safe programs for all participants, the Plainfield Park District has developed a Code of Conduct for all participants. Participants are expected to exhibit appropriate behavior at all times, including:

1. Show respect to all participants and staff.
2. Take direction from staff.
3. Refrain from using abusive or foul language.
4. Refrain from causing bodily harm to self or others.
5. Show respect for equipment, supplies, and facilities.

Additional rules may be developed for particular programs and athletic leagues as deemed necessary by staff. Failure to comply with this Code of Conduct may result in removal from the program or event without refund.

CAMP BEHAVIOR MANAGEMENT PLAN

Expectations for Campers

- Keep hands and feet to self.
- Talk to others (campers and staff) with respect.
- Listen attentively when spoken to.
- Treat all park district material and property with care.
- Be safe while having fun.

Discipline Procedure

1. When a child has trouble following the expectations of the camp, park district staff will verbally request that the behavior be discontinued. If behavior continues, staff will remove the child from the activity for "quiet time." "Quiet time" allows the child to reflect on his/her behavior. It is given appropriate to the child's age, ability, and the severity of the inappropriate behavior. A parent will be notified at the end of the day if a child needed "quiet time" during the program. If a child is removed from the group 3 times in one day, a parent will be called immediately and asked to remove the child from the program for the remainder of the day. Park district staff documents all removals and phone calls to parents.
2. If a child has difficulty following camp expectations on a daily basis, a parent will be contacted. Next, a conference will be scheduled between the parent, child, program staff, and recreation staff. A written report will be filed after this conference. It will state the unacceptable behaviors previously demonstrated by the child and expected changes for the next program meeting date. It is also to be stated that one more incident of unacceptable behavior may result in the child's removal from the program permanently or for a specific period of time. This report is to be signed by a parent and program staff. One copy remains at the park district and the parent will retain another.
3. If a child continues to have trouble following the camp's expectations and the above procedures have been followed, a parent will be contacted and immediately requested to remove the child from the program for the designated period of time determined at the parent conference meeting.

**In extreme cases of unacceptable behavior that is physically threatening to other participants or staff, the park district reserves the right to immediately remove a participant from a program. There will be a Zero Tolerance policy if there are any verbal threats or actions toward the physical well-being of other campers or staff. This behavior will result in the immediate dismissal of the camper.*

***No refunds will be issued if your child has been removed from the program for disciplinary reasons **.*

I have read and understand the Park District Code of Conduct and Camp Behavior Management Plan.
